A specialist council for ECEs and grades 1, 2 and 3 teachers

# 43 million Google Ideas for Autism versus 28 Practice Research Based Strategies with *Carmen Moore*

Thursday, March 13, 2025  
6:30-7:45pm

Carmen works to provide support for children, teachers, school divisions, and families to best support all students, especially those with inclusive needs.

Instead of googling, 'What to do for kids with autism?', Carmen will share the 28 research based strategies in some detail that are proven to help support children (good for all, critical for some) in the classroom and beyond.
