

## ATTENTION ALL UNDERGRADUATE EDUCATION STUDENTS IN ALBERTA

The Early Childhood Education Council of the Alberta Teacher's Association (ATA) was formed in 1966 to facilitate professional development of teachers from Kindergarten to Grade 3 and to improve the quality of early childhood education programs in Alberta.

As school districts are beginning to include programs for Pre Kindergarten, this is now part of the Council's mandate.

### About ECEC:

- Our Council represents teachers in K, Grade 1, 2, and 3.
- Over 200 international universities, schools, and education centres subscribe to our high quality refereed Early Childhood -Education Journal (published annually).
- We have 10 Regionals representing all areas of the Province.
- We have collaborated with Alberta Education to develop curriculum and support materials.
- We have shown dedicated and professional leadership in the education of young children since our beginnings.

We are excited to announce that we will be providing six undergraduate education students in Alberta the opportunity to attend our annual conference through random draw. **Please fill out the form below to be entered into the draw to receive one of the 6 complimentary conference registrations with a \$250.00 maximum reimbursement for accommodations and travel.**
